

## Club Statement

Red Hawks Football Club can confirm that it has formally come to an agreement with both Mattressmakers Football Club and James Santos for his transfer to the club.

The club has informed the Securities Market Commission that Mattressmakers Football Club will pay € 80,000,000 (eighty million euros) for the transfer of the player, from which € 8,000,000 (eight million euros) will be directly paid to George Sednem, James Santos' agent, who had a determinant role in closing the deal.

Therefore, Red Hawks Football Club will receive the total amount of € 72,000,000 (seventy-two million euros).

Moreover, Red Hawks are delighted to announce this important deal as it represents a significant amount of money to the club's balance sheet that will help us grow and become more competitive.

We would like to thank James Santos for his excellent contribution as a Red Hawk and wish him all the best for the future.
